TOWN OF GEORGETOWN
ADDENDUM TO BUILDING PERMIT APPLICATION
SWIMMING POOLS ONLY

THIS APPLICATION ADDENDUM IS NOT A PERMIT. **NO CONSTRUCTION MAY BEGIN UNTIL THE PROPER APPROVALS HAVE BEEN RECEIVED***.* The complete Building Permit application as well as this addendum and required attachments must be submitted to the Building Inspector for his/her examination and plan review **before work is started**. When approved, the Building Permit will be issued. If work is started without first obtaining a Building Permit, **Double Fees** will be imposed and restoration may be required.

Swimming Pool Permits: No swimming pool or appurtenance thereto shall be constructed, installed, enlarged or altered without a permit having been obtained from the Building Department.

Plans: Plans shall be accurately drawn to show dimensions and construction of pool, distances to lot lines, all septic system components, wetlands, buildings, walkways and fences.

Locations: Private swimming pools shall meet current zoning set back regulations for the Town of Georgetown.

Safety Devices: Pool areas shall be enclosed with fences not less than four (4) feet high above grade (The pool manufacturer may satisfy the enclosure requirements of the by-law). Fences and gates shall not have openings or gaps larger than four (4) inches in any direction. Gates or doors shall be at least four (4) feet in height and shall be equipped with self latching devices located four (4) feet above grade and inaccessible to small children. Entrance ladders to above-ground pools shall be secured when not in use to prevent unauthorized entry to the pool.

Electrical Permit: A mandatory electrical permit must first be obtained by a licensed electrician before a building permit can be issued.
